Support & Advisory Program

Appreciation of Diversity and Integration in Lower Secondary Education

IAEC Study Visit

Diversity and Integration of Migrants in Education

Landeshauptstadt
München

AGENDA

- Facts and consequences
- Objective
- Support activities
- Advisory activities
- Teaching content at university
- Financing
- Project implementation: main organisation & partners
- Feedback

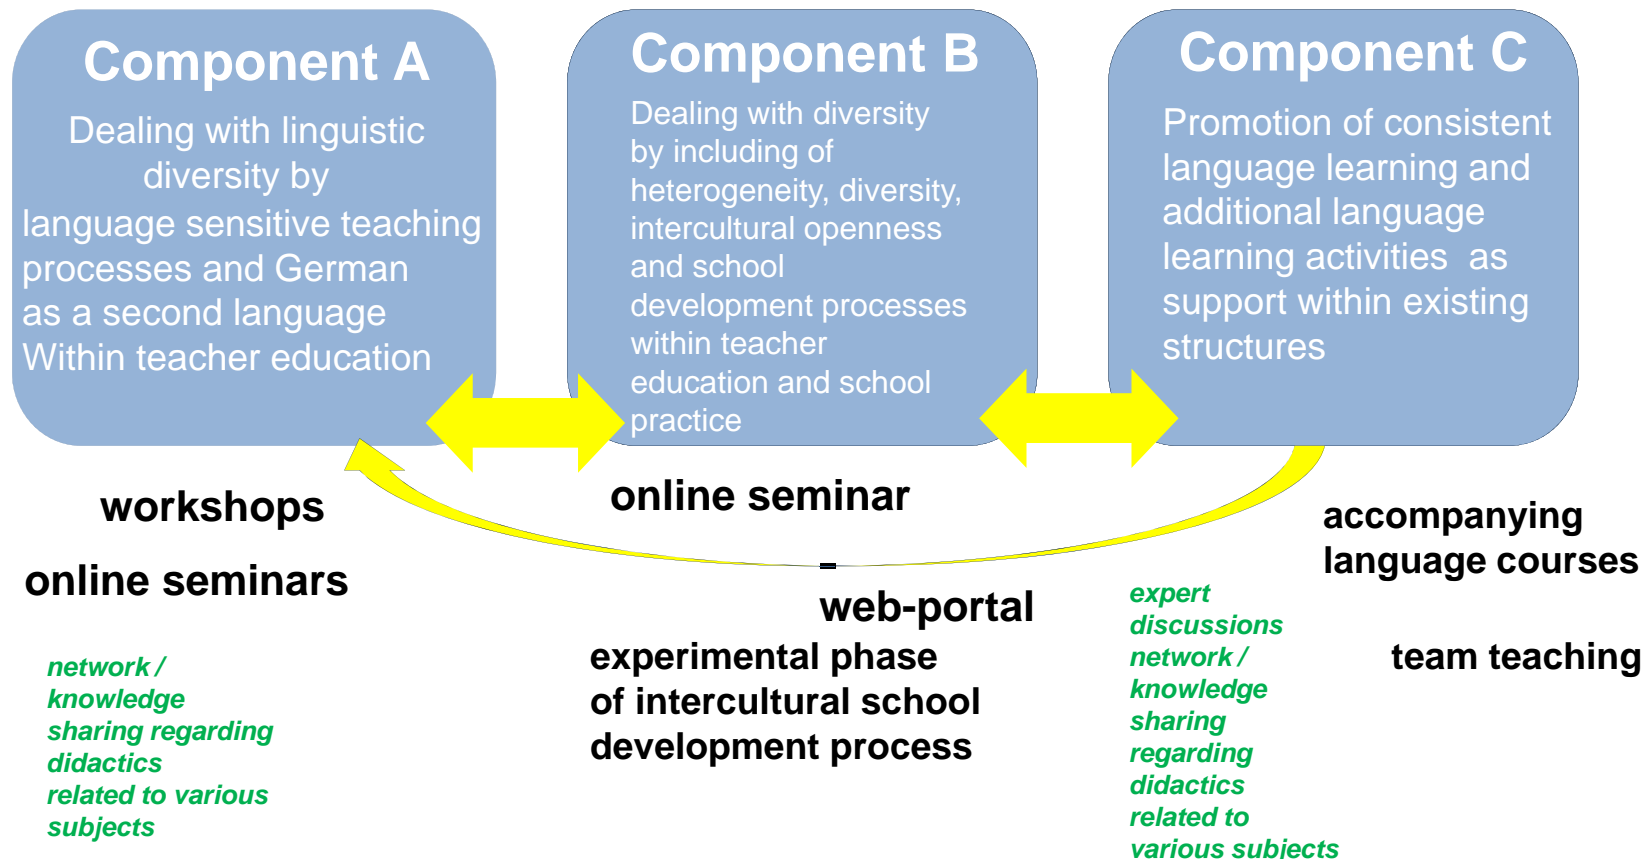

Landeshauptstadt
München

FACTS and CONSEQUENCES

- Globalisation ⇨ diversity – more than ever
- Changing requirements regarding ethnic, cultural, social and linguistic diversity
- Risks: inequality of opportunity and educational disadvantages
- Integration and just participation = primary task of municipalities and educational institutions
- Dealing with linguistic diversity in education systems in a professional way and integrated language learning = essential topics of teacher trainings and school

OBJECTIVE

Landeshauptstadt
München

SUPPORT ACTIVITIES

Linguistic Support in German as a Second Language

A) ACCOMPANYING LANGUAGE COURSES:

at school, mostly in the afternoon

1 – 2 teaching students work together

small groups (3 – 7 pupils)

over 1 school year

scope: linguistic support – playful, differentiated, consistent language learning regarding all subjects

B) TEAM TEACHING:

during regular instruction in classes in the morning

1 student teacher together with the teacher

3 – 7 pupils on focus

over 1 school year

scope: linguistic support, assistance in regular instruction + internally differentiated

FEEDBACK from SCHOOL and TEACHERS

- Beneficial for students and teachers
- Performances by students are recognised and appreciated

„Das wird von den Schülern sehr positiv aufgenommen, weil es für sie eben eine Abwechslung ist, und für uns Lehrer ist es natürlich eine super Ergänzung und Unterstützung in der pädagogischen Arbeit.“

Translation: *This was very much appreciated by the pupils as it is a change and for us teachers, it greatly complements and supports our pedagogical work.*

„[Ich bin die Klassenlehrerin der Übergangsklasse 8 der Mittelschule NN... Ich möchte Ihnen an dieser Stelle auch mitteilen, dass] die beiden Studentinnen wirklich großartige Arbeit leisten und meine Schüler/innen sehr gerne den Deutschkurs besuchen. Toll, dass es diese Möglichkeit gibt.“

Translation: *[...] The student teachers did a great job. My pupils enjoyed the German course tremendously. Wonderful to have such an opportunity.*

BENEFIT for STUDENT TEACHERS

- Unique opportunity and experience for students (they can teach on their own)
- They can try different roles, methods, teaching concepts and diagnostic tools
- They can test their decision to become a teacher and experience the role of teacher
- They can get to know different types of schools
- They can learn about migration stories
- They can monitor learning developments
- Cooperation and exchange with their tandem partner, teachers, social education workers in school

„...Viele meiner Erwartungen ...haben sich für mich erfüllt: Ich konnte zahlreiche **Unterrichtsstunden halten, viele neue Unterrichtskonzepte** ausprobieren, meine **diagnostische Erfahrung** im Bereich der Sonderpädagogik einbringen und hatte stets die Möglichkeit, mich mit meiner Tandempartnerin kurz zu schließen und habe diese Form der **Kooperation** bis zuletzt sehr geschätzt.“

Translation: *Many of my expectations have been met: I could teach numerous courses, try many new teaching concepts, contribute my diagnostic experience in the field of special needs education and always had the opportunity to talk to my tandem partner and really appreciated this form of cooperation until the last moment.*
