General Assembly Evaluation survey results

Strong points

- Networking and exchanges with other educating cities
- Organisation
- Visits and cultural offer
- Assembly theme and content
- Voting system

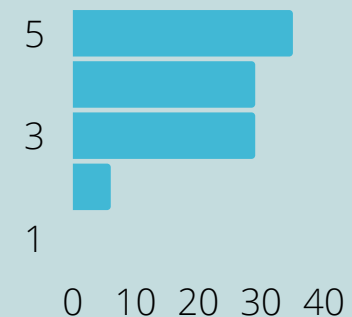

Study visit | Factoría Cultural

Satisfaction rate 1-5, (%)

Study visit | Jardín Botánico

Satisfaction rate 1-5, (%)

Areas for improvement

- Meals (no chairs and limited food)
- Assembly duration, improve the participation and more room for exchanges
- Visits are too long and participants get tired
- Technical problems with interpretation system
